Our Mission

At Southeast Smiles it is our primary purpose to provide our patients with the highest quality dental care possible. We understand acquiring affordable dental insurance is not always an easy task.

We are proud to offer you and your family the opportunity to join our Healthy Smiles Program.

The Healthy Smiles Program is our in house alternative to market discount plans or no insurance coverage. This pamphlet is designed to give you an in depth look at what the Healthy Smiles Program can offer you and your family.

To maintain optimal oral and systemic health it is important to regularly visit the dentist every six months. While these visits can be costly, the Healthy Smiles Program helps make preventive care more affordable.

Preventive Care

**The average cost per cleaning is \$200.00*

Included with your annual Healthy Smiles membership:

- 2 Cleanings OR 3 Periodontal Maintenance visits
- 2 Periodic Exams
- 2 Fluoride Varnish applications (no age restrictions)
- Routine preventative x-rays

1 additional cleaning per year will be provided for high risk medical patients.

- Patients on chemotherapeutic drugs
- Patients currently pregnant
- Patients with kidney disease
- Patients on dialysis
- Patients with cardiac history

Emergency Care

We understand that emergencies happen unexpectedly and can be costly!

Included with your annual Healthy Smiles membership:

- 2 Emergency exams
- Necessary x-rays

**The average cost per emergency visit is \$88.00*

Restorative Care

While not everyone may need restorative care, sometimes additional care is necessary to maintain optimal oral health.

Included with your annual Healthy Smiles membership:

- 20% discount on ALL needed restorative care.

**An average annual savings of \$600.00*
