Patient Financial & Appointment Policy and Agreement This financial policy is an agreement between Southeast Smiles and you, the patient. By signing below, you are acknowledging that you understand the following policy and agree to pay for all services that are received.

All estimated treatment plan portions and deductibles must be paid at the time of service. These payments are part of your contract agreement with your dental insurance plan and it is our responsibility to collect payments of these amounts when services are rendered. Additionally, full payment is due at time of service for all patients who do not have insurance.

Your dental insurance policy is a contract between you and the insurance company. You must provide us with a current insurance card and billing information prior to each visit. Ensuring that we have the correct insurance information will help prevent claim problems and potential collection issues.

We will bill your insurance company and make every effort to ensure claims are promptly and correctly submitted. Occasionally, because of factors beyond our control, your insurance company may not reimburse us promptly. If payment is not received from your insurance company within 90 days, we will request payment in full from you. Any additional payments received from your insurance company after you have paid will be promptly refunded. If you are unable to keep your appointment, please let us know immediately so that we can offer the appointment to another patient. A fee of $50 will be assessed for standard appointments and $75 for operative appointments canceled less than 48 hours of the scheduled time or failure to show at all for your scheduled appointment.

Patients with poor payment histories may have care terminated by Southeast Smiles or will be required to pay in full at the time of future visits whether they have insurance or not.

We accept Visa, MasterCard, Discover, American Express, Care Credit, personal checks, money orders, as well as cash payments. If a check is returned for nonsufficient funds, a returned check fee of $30 will be added to your account.

Credit & Finance Charge Agreement: I understand that I am financially responsible for all charges regardless of third-party agreement. I agree to pay any deductible, coinsurance, co-pay or any service deemed a “non-covered benefit” by my insurance carrier at the time service is rendered. I understand that failure to pay outstanding balances in full within 90 days of the initial notification of the amount due will result in incurred finance charges, submission to an outside collection agency, possible small claims court, as well as my dismissal as a patient from Southeast Smiles.

I have read this Patient Financial Policy and I understand and agree to its provisions:
